**Subject:** Request for discovery material

Sonja,

Could you forward me the following discovery when you get a chance [REDACTED] The case is on for motion next week but given the short notice I'm not requesting you get me the info by then (Defense Counsel just made the request). Here is what he is looking for:

- Any notes, data, analysis, "tracings relating to the receipt", processing and reporting of tests.
- Identification of what procedures were performed
- Drug Cert (I already have this)
- Names/CV of chemists (I already have this for you). Could you just confirm that you did all the testing?

Thanks.
